Local 26 Annual Dollars Against Diabetes Golf Outing

Come out and help support Dollars Against Diabetes, D.A.D., an annual campaign spearheaded by the Building and Construction Trades Department, AFL-CIO, to help support the Diabetes Research Institute.

This year's golf outing will be on **Monday, June 4, 2012**. Prizes will be awarded for first, second, and third place at each course, as well as longest drive and closest-to-the-pin.
