

IBEW LOCAL UNION 26

2020 ELECTION ENDORSEMENTS

The Local 26 staff and the many activist members of our Union have met, interviewed, and questioned numerous candidates on both sides of the ballot. We have offered an olive branch to all candidates, in all parties. In some election races, neither candidate received our support. Our endorsements went only to those candidates who best served the members of Local 26, our families, and our future. Please use this endorsement list as a guide when casting your ballot. If you have any questions about registering, voting, ballot initiatives, or candidates please contact Tom Clark at 301-459-2900 Ext. 8804 or tclark@ibewlocal26.org
